

# Royal Cross Primary School

*Lancashire's school for deaf children*

Dear Parents

We are hoping to strengthen resources within school to reflect our children's multi-cultural heritage. This will be part of our work to develop the EAL Language Quality Mark for Royal Cross.

We would like to build up a resource of textiles and dressing up clothes for our children to reflect the rich cultural heritage that is within our school community. To help get this started I was hoping to ask families to look at home and see if there are any donations that could be made to school to help get us started.

The sorts of things we would be looking for are:

- Lengths of textiles – for craft work and to display around school
- Sari lengths – to display around school
- Children's traditional clothes that may be too small - for dressing up

If you have any other items and think they would be helpful, please get in touch with school. All donations will be gratefully accepted!

Thank you for your support in this
