

St George's Day Scouting Parade 2018

Sunday 29th April 10:00

Sunday the 29th of April is St George's Day.

Each Year all the Scouting groups from Preston take part in a St George's Parade across Preston to finish in Preston Guild Hall for a special celebration. We have been invited to take part as 4th Preston (Royal Cross) Beavers & Cub Scouts.

Families will be able to drop off their children at a designated meeting place, The Flag Market in Preston for 10:00 am. School staff will be there to take responsibility for the children and then school will take part in the parade, finishing at Preston Guild hall for 11:45 when families can collect their children.

Families are warmly welcomed to join in the celebrations by following the children around as they parade and then invited to join other families within the Guild Hall as the children return after their parade.

We have booked an interpreter for the children and staff and secured seating for our children close to the front stage. This year we are planning for 2 of our children from Cubs and Beavers to carry flags.

If you would like your child to take part in this parade and will be able to drop off and pick up at those times we will be sending out more detailed information plus consent forms after the Easter holidays.

We had a fabulous time last year with staff and families supporting the children and we hope to do the same again this year. Please come along and support our fantastic Cubs & Beavers.
