

4th Preston (Royal Cross) Family Scouting Day!

- Saturday May 12th
- 10:00 – 12:00

Save the date and come along with family and friends to join in with all the scouting fun!

We are working alongside the Preston Scouting Association to put on a fabulous day of activities and fun for all our Beavers, Cubs and their families.

- There will be opportunities to take part in different table top activities
- How to put up tents on the school grass area and then take them down again
- Outdoor BBQ – Meat & Vegetarian
- Outdoor backwoods cooking – marshmallows & bananas
- Explore the climbing tower

You will also be able to 'top up' your child's scouting uniform if you wish by buying directly from John Bailey from the Scouting shop.

Fingers crossed for the weather, but if we are unlucky we can still go ahead and have the BBQ served undercover from the covered play areas.

We have had lots of offers of help from the Scouting Association members and they are giving up their time freely to support our school. It would be fantastic if we could have as many families as possible supporting this FREE event. This is an opportunity to bring brothers, sisters and all the extended family to join in the fun!

I would like to take this opportunity to thank all the families, children and staff at Royal Cross for being so enthusiastic and supportive in helping to set up Beavers and Cubs within our school.

Please come in your Beaver & Cub uniforms! I look forward to seeing everyone on May 12th!

Thank you!
