

All primary schools receive a PE and Sports Grant to extend provision of physical activities in order to enhance pupils' health and wellbeing – £8,000 for the academic year plus a top up of £5 per eligible pupil.

2015–17 £8,000 Sports Grant paid in 2 instalments each year.

We are using the funding for:

- Sports Coaching – 2 x P.E. sessions and lunchtime clubs per week (for different age groups).
- Weekly visits to Space 2 for sensory activities (pupils with additional needs).
- Subsidised activity trips including the residential holiday for Y5/6

2014/15 The funding has been used for sports coaching, lunchtime clubs, a residential activity holiday, an intensive swimming course, PE equipment and additions to the playground.

This has enhanced the PE Curriculum and facilities and made a positive impact on the level of pupil's physical activity.
