

Pupil Voice Questionnaire

Dear children and families

I would like to find out how pupils feel about our school. This is called a **Pupil Voice Questionnaire**.

It makes sure that the opinions of all children in school are listened to and that we do our very best to make school fabulous!

I would like to thank all the members of the school council for helping me with this questionnaire. They have decided that the questions needed a 'not sure' column, so I have included one.

It would be helpful to get as many back as possible, and if families could help the children to fill in the answers that would be great!

I will give 5 Team Points for every questionnaire that comes back!

Thank you
