

A Celebration of our School Community

In our school we
have lots of different
people.

Every body is special
and valued.

Some of us are deaf
and wear hearing
aids.

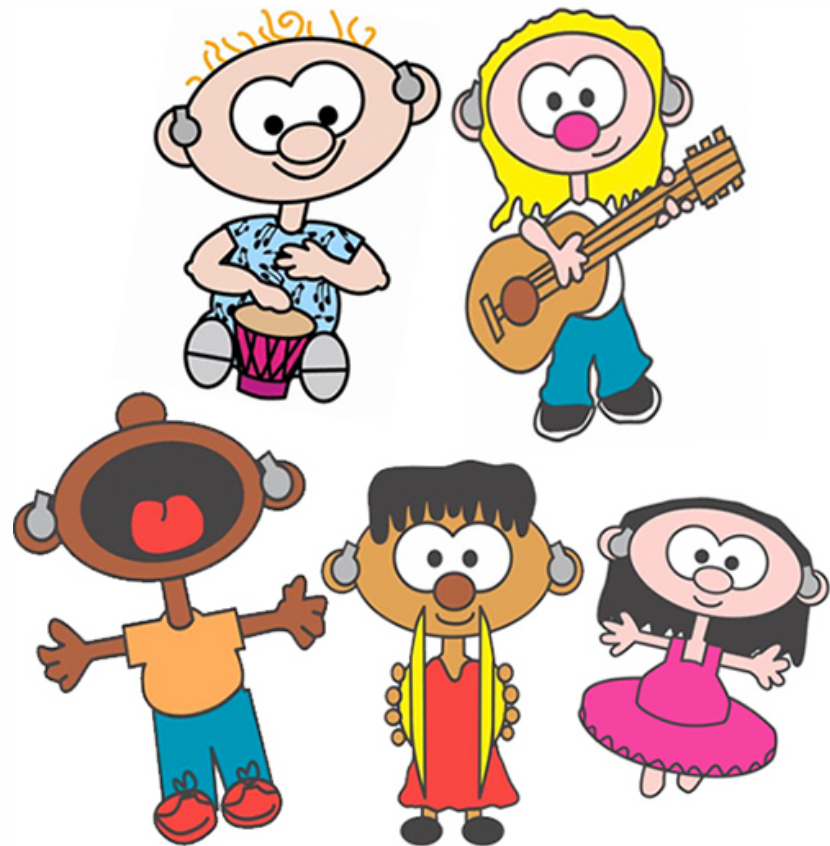

Some of us are
hearing.

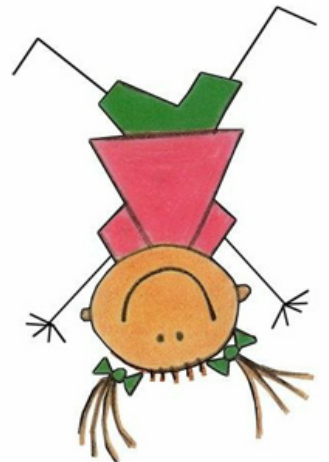

Everybody uses sign language. This means we can talk to everybody.

Nobody is left out.

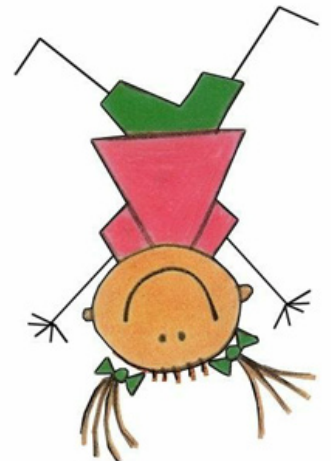

Some of us can
run and jump.

Some of us need
help to get about.

Everybody helps
each other and
plays together.

Nobody is left out.

In our school we
all have special
celebrations.

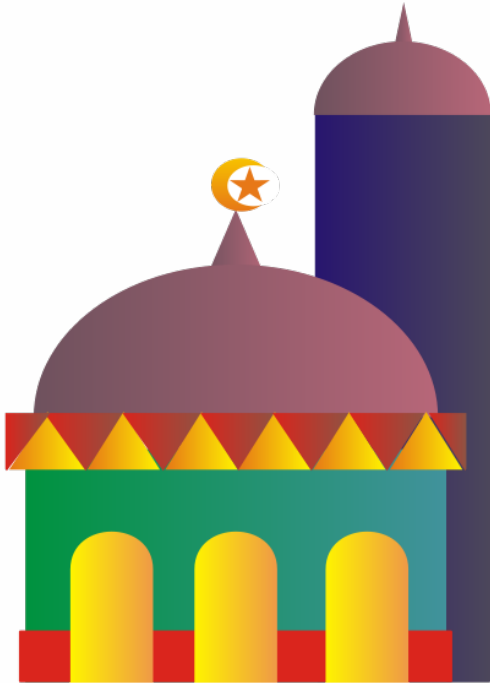

Some of us
celebrate
Christmas.

Some of us
celebrate Diwali

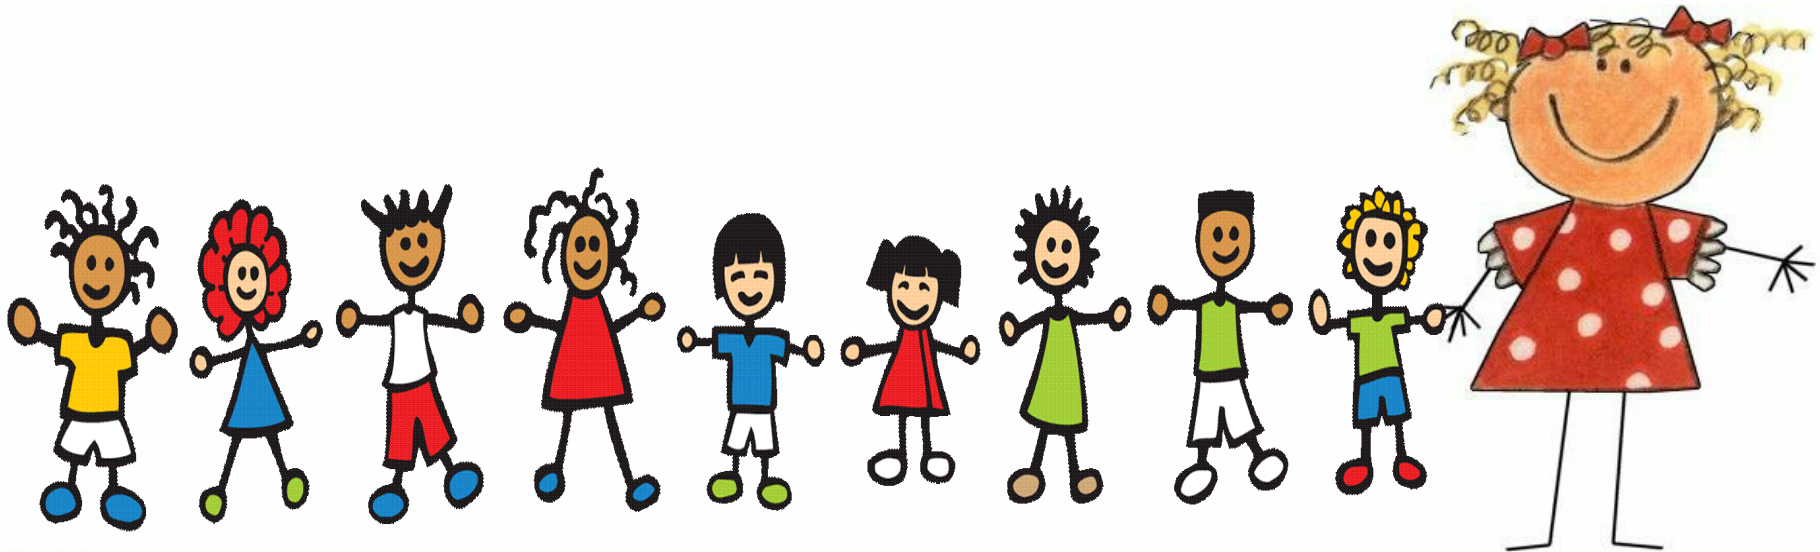

Some of us celebrate Eid.

Everybody celebrates together. We share our celebrations in school.

Nobody is left out.

Happy Celebration Day!
