

Let's keep

kids safe online

Having to stay home means kids are spending even more time exploring the online world. There's lots of exciting and educational stuff for them to discover, but there can be some risks too.

'Keeping children safe online' will teach you how to help kids explore their favourite apps, games and sites safely. Our workshop will:

- help you understand how children experience the online world
- show you resources and tools that could help keep them safe
- empower you to guide them on their journey.
