Pupil Questionnaire – ONLINE SAFETY

Can you help?

At school, we are always trying to keep everyone safe when they go online.

We would like to work with you to keep you safe and show you how to be kind and responsible online. To help with this we would like to ask you some questions about how you use the internet at home.

This is called a questionnaire.

We would like you to fill in the questionnaire and return it to school as soon as possible.

There will be 5 house points for everybody who fills it in!

It will be a good idea to ask your parents to help you with the questionnaire and if they are busy maybe you could ask your class teachers. Your support would be greatly appreciated.

Thank you
