

Royal Cross Primary School

Lancashire's school for deaf children

Save the Date!

Royal Cross are working with the NSPCC to bring you a free virtual event on:

December 15th at 10:30 am.

The event is completely free and will last for 30 minutes.

It will be hosted by someone from the NSPCC and the focus will be on helping families keep their children safe online.

There will be opportunities for you to ask the 'experts' for any advice or tips

Closer to the time an email invitation to attend will be sent to all those families who sign up to the event.

This will be through **TEAMS**.

Most of our families are now familiar with this platform as school has used it for all our EHCP reviews since C-19 measures were imposed.

Please can you register your interest by emailing Kath in the office and confirming we have the right email contact details? Once we have a list of families we will start emailing out invites.

We are one of the first schools in Lancashire to offer this for families so please do your best to support us!

**Subtitles/closed captions – unfortunately the NSPCC cannot offer this at the moment but they are looking into this for us for future events. For our Deaf families, please encourage a hearing friend/family member to attend alongside you.*
